Dear Gen. Burns:

I had just heard over the late T-V news broadcast that Sect. Gen. Dag Hammarskjold will be spending Xmas with the U.N.E.F. in the Gaza Strip.

I would be most grateful if you could have Mr. Hammarskjold autograph the enclosed envelope for me. This will be a great addition to my United Nations collection of postal items.

Thanking you immensely, I remain,

Sincerely yours,
Seymour B. Feldman
