D. H. trips 1958 April 17

Sec. Gen. — to Ronald Scrivener (the Foreign Office,
London)

17 April 1958

I know from George how deeply you were involved in arrangements for my recent official visit to London. Having expressed my thanks to H.M. Government for the great honour, I would like to add this personal note of appreciation to you and those of your colleagues who did so much behind the scenes to make everything go without a hitch. When everything seems to be as effortless and smooth as it was during all phases of my visit, that in itself speaks for staff work.

Again, many thanks and warm regards.

Sincerely yours,

Dag Hammarskjöld

Ronald Scrivener, Esq.,
The Foreign Office,
London.
