Upon my return to New York I wish to thank you very much for the kind reception and generous hospitality which you and your colleagues on the Board of the U.N.A. showed me and those who accompanied me during my recent stay in Moscow.

I very much appreciated this opportunity of meeting you and your colleagues and to acquaint myself with the work which your Association is carrying out in order to make the aims and achievements of the U.N. more widely known.

I send you my best wishes for the success of your Association.

Yours sincerely,
