Dear Mr. Hammarskjöld:

This is just a brief note to tell you how much all of us enjoyed having you and Bill as our guests last Sunday at dear old Andros. We knew that you were down there for a complete rest and I do hope that we did not intrude upon your privacy. But believe me when I say we all felt honored when you dropped over to see us. My sister and brother-in-law join Barbara and me in wishing you much success in the year which lies ahead. We are all great believers in the United Nations and we have admired the magnificent job you have done.

Please give my best to that thoroughly delightful aide and that top notch gunner!

Very sincerely,

Philip L. R. Du Val  
Executive Vice President

Dear Mr. Du Val,

Warmest thanks for your kind letter of 2 February. Bill and I both much appreciated the nice time we spent as your guests. Certainly that was an interruption of the "complete rest" which was both delightful and stimulating.

Thank you also for your kind words about the United Nations. Bill and I join in best greetings and all good wishes.
