March 15

Sec. Gen. — to Thanad Khoman (Minister for
Foreign Affairs, Thailand)

Bangkok, 15 March 1959

Excellency,

On my return to Bangkok I received your kind letter of 11 March regarding the recent mission of Ambassador Johan Beck-Friis. I thank you warmly for your generous and appreciative words. From the conversations I had the privilege of having with you during my stay in Bangkok you will have seen how much I, on my side, appreciate the spirit in which you and the Government of Thailand have approached the problem, a spirit which contributed decisively to the success of the mission. I thank you also for the confidence shown in my Representative. The shared effort will, I am sure, serve to strengthen further the close and friendly ties between your Government and the Organization.

Accept, Your Excellency, the assurance of my highest consideration.

Dag Hammarskjöld
Secretary-General

His Excellency Monsieur Thanad Khoman
Minister for Foreign Affairs
Government of Thailand
