Sec. Gen's trip to Far East 1959

22 April - October 1

Corresp. Sec. Gen. - Captain R. S. Randhawa (Nepal)

22 April 1959

Dear Captain Randhawa,

.....
You were kind enough to suggest that when the films from our wonderful excursions in the Himalayas had been developed you would help me to identify all the mountains. May I avail myself of this promise of yours by forwarding enclosed three sets of the 35 pictures in question. In each set the pictures are placed and numbered in the order in which they were taken. I would be very grateful if you would kindly identify each picture on the back and forward one set to the Prime Minister with the attached letter. One set, together with the three separate pictures, is intended for yourself. The third set, finally, should kindly be returned to me.
.....

Would you also please enquire from the authorities concerned whether there is any objection to some of the photos being published.

Please accept, Captain, the renewed expression of my thanks for all your kind attention as well as all my best wishes.

Yours sincerely,

Dag Hammarskjöld

Dear Captain,

.....
.....
Thank you very much for your letter of 6 September which the Ambassador of Nepal brought back. I am so sorry that the previous prints got lost as well as my letter and even the copy of that letter. Now I enclose again a copy of the letter and send you two sets of the best prints as you wanted. Of course, there is nothing for you to pay. I am happy to send it as a gift with my gratitude for the splendid tours on which you took us.

I thank you also for the trouble you have taken in indicating the mountains on the prints. It may amuse you that I disagree with you on some points and even feel pretty sure about my own identification. That is obviously something we shall have to settle on a new trip together.

With kind regards,

Yours sincerely,

Dag Hammarskjöld
