Believe that Baghdad meeting may come to offer certain possibilities
leave
which it would be worthwhile for you to watch. I ~~hesitate~~/decision to
you but would personally welcome if you extend your stay in accordance
with Jordan wishes, your cable para one.

Appreciate your prudence and willingness stay on in potentially
dangerous situation. Personally on the whole optimistic. Kuwait
has today brought Iraqi threat to Secco.

Note your observations with interest. Impression here confirms your interpretation. Tend to believe that matter will drift into some kind of inter-Arab discussion with only role in background for UN. ~~XXXX~~ Iraqi's do not seem to be on warpath and I would believe British interest mainly tied to need not to let one of Sheiks down in view of possible repercussions of such impression on other crucial sheiks.
