Dear Mr. Hammarskjöld,

Too day before yesterday, Mr. Kabinovics delivered to me in Rio de Janeiro the beautiful silver cup which you had left for me upon the occasion of my visit to Brazil.

Needless to say, I was truly surprised and delighted by this excellent gift. Please allow me to express my warmest thanks and I always look upon the cup as a reminder of the good day which I had the high privilege of spending with you at the non-aligned states conference.

Very truly yours,

Dear Mr. Silveira da Mota,

I would like to thank you, on my return to New York, for the valuable and friendly assistance you offered me during my visit to Brazil. I realize that you were given a somewhat strenuous assignment, made the more difficult by the demands of the official programme both in Rio de Janeiro and in Sao Paulo.

On a more personal note, may I say that it was a pleasure to have your company and that I wish you every success in the future.

Sincerely yours,

Dag Hammarskjöld
