Trip to South America 1953

Sept. 14

Sec. Gen. — to Gertrude Lutz (UNICEF Resident
Represent. Brazil)

14 September 1959

Dear Mrs. Lutz,

Thank you for the very kind letter you gave to Mr. Ranallo at the airport before our departure.

Although my visit to your offices was, unfortunately, necessarily brief, you were able to give me a clear and vivid impression of the activities of UNICEF in Brazil. I realize some of the difficulties that surround your work and I can see the contrast between the vastness of the needs and the resources available. But I am also aware of the considerable achievements already made, and I have no doubt that your enthusiasm and dedication have served to a large measure in bringing them about.

In expressing my great appreciation of your personal contribution to the cause of the Fund and to the children with whom you come into contact, may I add my own good wishes and warm regards.

Sincerely yours,

Dag Hammarskjöld
