Aide Memoire (conc. trip to Cairo on Jan. 61)

A I D E M E M O I R E

I wish to inform you that, in accordance with previous discussions which I had with Dr. Fawzi, I have now made arrangements for a brief stay in Cairo on 16 and 17 January 1961. I shall be arriving at Cairo at 6.10 in the morning of 16 January and will have to leave for Bombay from Beirut at midnight of 17 January. It is my hope to spend up to one day at Gaza and therefore would be available for discussion in Cairo on either of the two days. I hope that one of these days will be suitable and would appreciate any advise so as to enable me to make final plans.
