I attach an earlier note giving dates of agenda items. If you can stay in Geneva for the week of July 10th that would be good. The Exec. Secretaries will all be there then and, towards the end of the week, several of the Agency heads - Sen, Veronesi, Morse, Candau. If you can remain for a few days into the following week, that would be better still.

The debate on the world economic situation begins on 10 July. There should be no difficulty in your leaving the Council for the Cecil Memorial Inauguration some time on the 11th, preferably in the afternoon.

In how long should I stay?

2 July '61 SG

S.E. Monsieur Paul Henri Spaak,
Ministre des Affaires Etrangères,
BELEXT (BRUXELLES) BELGIUM

Monsieur le Ministre,

Monsieur Sahbani, à son retour à New York, m'a indiqué votre désir de me voir à Genève au cours de ma visite au Conseil économique et social. Je suis heureux d'avoir cette occasion de m'entretenir avec vous des quelques questions qui nous préoccupent des deux côtés. A présent je compte arriver à Genève le 9 juillet et partir le 15 juillet. Evidemment, les sessions du Conseil vont prendre beaucoup de mon temps, mais je crois pouvoir disposer assez librement du mercredi le 12. En espérant que cette date vous conviendra, je propose que nous fassions les arrangements pour une rencontre ce jour là.

Je vous saurai bien gré de m'indiquer à l'avance quels points vous désirez soulever pour une étude commune.

Je vous prie d'agréer, Monsieur le Ministre, les assurances de ma très haute considération.
