INTEROFFICE MEMORANDUM

TO: The Secretary-General

FROM: Ralph Bunche

Date: 16 December 1958

SUBJECT:

FILE NO.: _____

Gohar came to see me to give the information about the Doron which Loutfi had mentioned. Gohar did not have much and I had to pull that out of him. He said that the Doron, which had not been confiscated, was beginning to deteriorate after so many months, and that recently the question of its status and disposition had been presented to an Egyptian special court which had been established in 1948 to deal with matters relating to Israel (cargoes in ships passing through the Canal etc.).

Gohar has had no word about the Court's judgement.
