As desired by you, I have shown the draft letter to the heads of the specialized agencies to Messrs. de Seynes, Heurtematte and Owen. I may add that Mr. Paul Hoffman is out of station.

Mr. de Seynes suggested that the reference to the period of the French Protectorate might be toned down in paragraph two and I have done so accordingly.

Mr. Heurtematte suggested that we might add a reference to basic education, as otherwise it might not be clear to Mr. Veronese as to where he came in. I have made an addition accordingly.

Mr. Owen suggested an addition on the lines of the concluding sentence, as this reference would make it easier for him to get contingency financing approved by TAB in due course.

Final copies are for your approval and signature.
