Dear Cabot,

.... Enclosed please find a copy of the Tuomioja report which I think you will find most readable and extremely interesting. It seems to me fully to corroborate my earlier analysis and conclusions.

.... I am sending a copy directly to Mr. Herter as a courtesy and also because I have felt a little bit guilty for not contacting him also personally after my return from Laos. I enclose a copy of my letter to him as it spells out a few things I have already told you but which you may find useful to have on paper for reference.

As I am not likely to see you before I leave, I send Emily and you all my best wishes for Christmas. It was a most pleasant surprise to hear that we are likely to be able to wish each other a happy New Year in the Cameroons.
