- 1 letter from D.H.

9 April 1960

Dear Ernie,

.....
I am sure you would like to see what I said yesterday in my press conference regarding the International Disarmament Organisation discussed in Geneva. I therefore enclose a transcript of the conference.

I had to tone down what I said directly about the discussions in the Disarmament Conference. In fact, the West seems more or less committed to an organisation entirely outside the United Nations, and therefore my statement is in fact, to the initiated, sharply polemical. However, you may have observed that it has not been considered "news fit to print".

.....
I enclose also my statement on Suez and a letter to Dryfoos which may amuse you.
