Conference of Ten, Geneva

Ritchie, C.S.A (Perun. Represent. of Canada
to the O.N.U.)

- 1 letter from D.H.

9 April 1960

Dear Charles,

As nothing was said about it in the Times, it may have escaped your attention that in the press conference yesterday I gave a fairly full exposé of the United Nations approach to I.D.O. I did so to a large extent for the benefit of the Foreign Ministers meeting in order to give them a peg in my own words for their consideration of the United Nations aspect.

.....
Thinking that it might be useful to you, I send you in these circumstances three copies of the transcript of the press conference in which the relevant part begins at the bottom of page 16.

Dag Hammarskjöld

H.E. Mr. C.S.A. Ritchie,
Permanent Representative to the United Nations,
Permanent Mission of Canada to the United Nations,
New York, N.Y.
