I have now an idea how to see to it that you get the  
 Italian paper printed and printed. Do you not see that  
 it is for an advertisement. I shall be utters an Italian book soon  
 for which I have written the Italian and will let you see, if you  
 will come and see. I shall be glad to see you and I shall be  
 glad to see you. I shall be glad to see you. I shall be glad to see you.
