Trip to Europe 1953

May 13

D.H. - to L.O. Lyne (Major-General, U.K. Association
of Great Britain and N. Ireland)

13 May 1953

Dear General Lyne,

I am grateful to you for your letter of 30 April and for the good wishes that you convey to me in my new post. I have known of the valuable work of your Association and I must say that you have been very effective "guerilla fighters". Your continued support for the United Nations will be very much appreciated.

My visit to London in early June will be a very short and crowded one. I would suggest that you contact Mr. George Ivan Smith, Director of our London Information Center, who will have the information with regard to my schedule while there. Perhaps together you can arrange an opportunity for us to meet.

Yours very sincerely,

Dag Hammarskjold
Secretary-General
