Per Lind (sec. Gen's office, U.N.)

— to M. P. Virchaux (P.R., Swissair, Zürich)

22 May 1953

Dear Mr. Virchaux,

Mr. Hammarskjöld has asked me to convey to the Swiss Air his most sincere thanks for the very kind reception offered to him yesterday at his arrival in Zürich. He also would like to say how much he enjoyed the flight to Geneva which, thanks to your instructions to the pilot, became a very memorable one indeed.

I am certain that you would be interested to know that Mr. Hammarskjöld has informed today Herrn Regierungsrat Dr. P. Meierhans, in a letter of thanks, that a United Nations flag will be presented to the airport in Zürich. The flag will be sent in the very near future from this office to Dr. Meierhans, attention the Direction of the airport.

Very sincerely yours,

Per Lind
