29 April 1954

Dear Mr. Hoffman,

I want to thank you for your letter informing me about your father's wish that you represent him in connexion with my forthcoming visit to Los Angeles. I am most grateful for this arrangement and am looking forward to meeting you.

With regard to the programme of my visit Mr. Skot Hansen, whom I saw while he was here recently, will inform you in detail. As I told him I greatly appreciate your father's kind offer to put a car at my disposal during my stay in Los Angeles.
