Trip to California/Chicago/Minneapolis 1954

May 11

D. H. — to John Fischer (De Pere, Wisconsin, USA)

11 May 1954

Dear Mrs. Fischer,

I wish to thank you so much for your nice letter telling me about the family in De Pere, Wisconsin, and inviting me to come and stay at your home in connection with my forthcoming visit to Minneapolis. It is awfully kind of you to ask me to come and be your guest, which would have been a great pleasure. My schedule does not allow me to stay in Minneapolis more than one day, May 17th, when I have a full programme, and it is therefore unfortunately not possible for me to accept your very kind invitation.

With my best wishes to you all,

Sincerely yours,

Dag Hammarskjold
