Trip to California/Chicago/Minneapolis 1954

May 19

D. H. — to Lemuel H. Matthews (American Association
for the U.S. of North. California)

19 May 1954

Dear Mr. Matthews,

I am most grateful for your friendly hospitality during my visit to San Francisco and not least for the private and informal part of the evening with Professor Blaisdell, Mr. Cromwell and yourself on the visit to the "Top of the Mark" and the dinner on Fishermen's Wharf. Will you please also convey my thanks to Mayor Robinson, Mr. Frederic Cromwell and others of your associates.

I wish that my visit could have been longer, but you may be sure that I shall want to renew my acquaintance with the birth place of the United Nations and its people when some future opportunity presents itself.

Sincerely,

Mr. Lemuel H. Matthews, President
American Association for the
United Nations of Northern California
