Trip to California / Chicago / Minneapolis 1954

D. H. — to John A. McCone (Los Angeles World Affairs  
Council)

19 May 1954

Dear Mr. McCone,

May I thank you for your friendly hospitality and for all the arrangements that were made by the World Affairs Council to make my visit to Los Angeles -- from my point of view -- a most pleasant and worthwhile occasion. It was a special satisfaction to me to have been afforded opportunity to meet and talk with you and so many other leaders of the community on so short a visit.

Sincerely,

Mr. John A. McCone, President  
Los Angeles World Affairs Council  
612 So. Flower Street  
Los Angeles 17, California
