D. H. — to Roy Blough, (Dir., Dept. of Economic Affairs)

SRS/54

11 January 1954

Dear Mr. Blough,

I wish to confirm our conversation and my request for your continued cooperation and assistance in the period just ahead of us. With your present appointment coming to an end in February 1954, it is my intention to offer you a fixed-term appointment at your present level and salary to extend to 31 December 1954.

With the main tasks of the reorganization of the Secretariat still to be accomplished, I am counting on you as one of the senior officials on whose advice the success of the reorganization will undoubtedly rest.

I wish you to know of my appreciation for your effective and devoted contribution to the Organization. It is in this spirit that I am again calling on you, and I look forward to receiving an early reply telling of your willingness to go forward with us in our work in the months to come.

Yours sincerely,

Dag Hammarskjold  
Secretary-General

Mr. Roy Blough,  
Principal Director,  
Department of  
Economic Affairs.
