1/ Members of Branch Office staff recruited in the country where office is established are assimilated to members of national civil service of corresponding rank.

2/ Staff are on a mission basis.

3/ Under the column "Status of Cost of Living Surveys" is shown the cost of living surveys which are "in process" (using New York City as the base), or, if completed, the date when the price data was collected.

- 4/ UNICEF professional staff in this area are receiving a special subsistence allowance during 1954 but will be converted to the normal salary differential system basis effective 1 January 1955.
- 5/ San José FAO Office closing 31/3/54.
