Dear Hoffman,

I am grateful to you for your acceptance of my invitation to give assistance in the development of a program to promote a better understanding of the United Nations. The date you suggest, 9 September, is perfectly satisfactory. I look forward to the opportunity of discussing with you, at that time, what arrangements we can make for further studies of the question.

With kind regards, I am

Very sincerely yours,

Dag Hammarskjold

Mr. Paul Hoffman,
Chairman of the Board,
The Studebaker Corporation,
