My dear Mr. Bergen,

Let me tell you once more how grateful I am to you for your generous contribution to the success of the United Nations Staff Day, Friday last.

We all thoroughly enjoyed your excellent performance and we include your able assistants in our praise and thanks.

It was a great pleasure for me personally to meet you again and to have you and Mrs. Bergen as my guests. I shall look forward to the opportunity of welcoming you to the United Nations whenever it may be convenient for you to visit us.

My staff joins me in extending our very best wishes for continued success in your distinguished career.

Very cordially yours,

Mr. Edgar Bergen,
