30 June 1955

Dear Mr. Fromer,

I have received the picture by Louise Gilbert and wish to express my deep gratitude to the artists of the San Francisco Graphic Arts Workshop for their thoughtfulness in presenting this beautiful gift on the occasion of the commemoration of the tenth anniversary of the United Nations at San Francisco. I particularly appreciate the eloquent expression of support of the United Nations conveyed by the picture and the accompanying message.

I shall see to it that the picture gets an appropriate place on one of the walls of my office floor in the United Nations building.

Yours sincerely,

Dag Hammarskjold
Secretary-General

Mr. Irving R. Fromer,
