Dear Mr. Hammarskjöld:

I am enclosing a print and the negative of a picture of you taken during the U.N. Ceremonies in California. I am also enclosing a print of the Greek Theatre ceremonies and of San Francisco Bay in the fog, which I thought you might like.

I was very much interested in your speeches and in the reprint of your Ninth Annual Report. You certainly must have a very difficult job that needs a lot of patience. I certainly didn't realize the different interpretations that would be put on things until I listened to the U.N. speeches in San Francisco, but now I know how difficult it is to get an agreement that has the same meaning for everyone. Good luck in your work. Sincerely yours,
Muriel Newberry

Dear Miss Newberry,

I wish to express my sincere thanks for your kind letter and for the very good pictures taken on the occasion of the special convocation at Berkeley, which I very much appreciate.

Yours sincerely,
