Trip to Geneva - Sweden - Geneva 1955

July 23 - Aug. 3

Corresp. D.H. — Dwight D. Eisenhower (President of
USA)

Dear Mr. Secretary General:

Before I leave Geneva, I want to thank you once again most sincerely for making available to the United States Delegation to the Heads of Government the excellent facilities of the Palais des Nations. I hope that every elaborate, painstaking and time-consuming arrangement was involved, and I am more than grateful to you and your associates. We are most appreciative of your helpful cooperation and assistance.

I am glad we had an opportunity quietly to talk over matters of serious concern to both of us.

With warm regards,

Sincerely,

Dwight D. Eisenhower

His Excellency

Dag H. A. Hammarskjöld,

Secretary General of the United Nations,

Palais des Nations,

Geneva.

Dear Mr. President,

On my return to Geneva for the Atomic Conference I received your kind letter of July 23, 1955.

It was for us a privilege to help your Delegation and all participants in the Heads of Government Conference. I hope that a good precedent has been established showing how the United Nations may be of assistance in new forms but for purposes inside its sphere of responsibility.

Personally, I wish to thank you for the talks in which you gave me an opportunity to tell about a few of my problems. These contacts on matters of great concern to both of us were for me invaluable.

Dag Hammarskjöld
Secretary-General
