Mr. Dag Hammarskjold,  
Secretary General  
United Nations  
New York 17, N.Y.

Dear Mr. Hammarskjold:

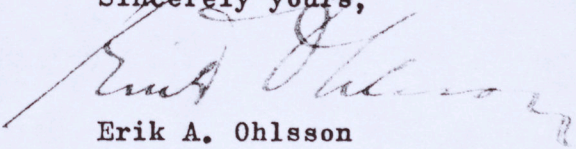

I am very happy indeed that, in spite of the "force-majeure" situation caused by the waterfront strike, it was possible to meet the deadline and have the new furniture and textiles installed on the eve of the opening of the United Nations fall session.

On behalf of Mr. Einar Dahl of AB Atvidabergs Industrier, who designed the furniture, and on behalf of myself, I want to express our wish and hope that the furniture will be to your entire satisfaction, and will meet your expectations.

We hope that you will feel very much at home in the new environment of your beautiful office, and that it may inspire you in your creative and important work to the benefit of the whole world.

If so, we are more than satisfied. It has been an honor and a pleasure to serve you, and will always remain so.

Sincerely yours,

  
Erik A. Ohlsson  
President, FACIT INC.

Dear Mr. Ohlsson,

Thank you very much for your letter and the flowers that you were kind enough to send me on the occasion of the installation of the new furniture in my office. I wish you to know that I am very pleased with the furniture which I find extremely well designed and well built, using excellent material.

Please convey my gratitude to Mr. Einar Dahl and accept my thanks for your very good cooperation.

Sincerely yours,

Dag Hammarskjöld
