UNITED NATIONS  
RESIDENT REPRESENTATIVE IN IRAN

نماینده‌گی سازمان ملل متحد در ایران

25 January 1956

10.1.0  
Letter no. 38

TO : Mr. Dag Hammarskjold, Secretary-General of the United Nations.  
FROM : Thomas F. Power, Jr., UNTAB Resident Representative, Teheran.  
SUBJECT: Briefing on Your Visit to Teheran, 26 January

Attached are the following papers:

1. An annotated schedule of your visit to Teheran.
2. A brief confidential note from me on the technical assistance programme in Iran and other questions which may arise.
3. An unclassified summary report on the present U.N. and Agencies aid programme in Iran, with particular emphasis on TAA. This may be useful in your contacts with Government officials and at your press conference.
4. Separately, there has been prepared for you a brief statement by each TAA expert. We hope to be able to give you an oral briefing at a meeting with the TAA experts this afternoon at 5:45 p.m. However, this may get crowded out under the pressure of your afternoon's programme so the written texts have been prepared.
5. For your convenience, I have prepared a copy of each of the first three items for Mr. George Ivan Smith and will pouch to Headquarters copies for Messrs. Cordier, Keenleyside and Owen (Michelmore Acting).
