Sec. Gen.'s trip to Iran 1956

March 21

Sec. Gen. — to Thomas F. Power, Jr. (Resident
Repr. U.N. Technical Assist. Board, Iran)

GIS/hd

21 March 1956

Since returning to Headquarters, this is the first opportunity I have had to thank you for your assistance during my recent visit to your region. I know that this involved you and your staff in a number of extra-curricula duties and I did want you to know how grateful I am for all that was done.

It was a particular pleasure for me to have the opportunity of seeing your office and meeting members of your staff and experts engaged on this important branch of our work. The same experience in many of the countries visited gave me a fuller understanding of the problems and possibilities in this field and an even wider appreciation of the pioneering work that is in progress.

Thank you again.

Yours sincerely,

Dag Hammarskjold
