Roma 15. 3. 1913.
Piazza Montecitorio

min kärna älskade, vän!

Skulle jag också skriva frågor
sinnelude svar på alla frågor.

- 1) Jag har inte fått något brev
från Danmark, i ett så stort
kurer, som du säger. Vart
kan det ha tagit vägen.
- 2) Du kan gärna prenumerera på
Folic et. vic. De brukar annars kräva
uti guld eller posten, men det andra
går ju lättare.
- 3) Det vare bättre, att sitta hemma
och köpa nya aktyer än att fara
utrikes och förstås pengar, men
eftersom jag har gjort denna de-
lut, så är det inte annat att göra
än att näfda sälja teckningsrät-
ter också i Hopparbergs banken.
- 4) Velmas bok skall inte såldas
till henne utan får ligga. Jag
trodde, att denna var förlorad
och har nätt henne en annan.
- 5) Jag har inte glömt dig, älskar
dig och hälsar dig tankfullt.

Din Selma

1) The first part of the paper is devoted to a general discussion of the subject. It is shown that the theory of the subject is very complicated and that it is necessary to consider the various aspects of the problem. The first part of the paper is devoted to a general discussion of the subject. It is shown that the theory of the subject is very complicated and that it is necessary to consider the various aspects of the problem.

2) The second part of the paper is devoted to a detailed discussion of the various aspects of the problem. It is shown that the theory of the subject is very complicated and that it is necessary to consider the various aspects of the problem.
