Dear Miss Fischer-Williams,

I was deeply grateful for your letter of 8 October. In the face of special difficulties we cannot, any more than in quieter times, fail to follow the mandate of the Charter and of the resolutions outlining our task. Furthermore, prospects for peace rest heavily upon strict adherence to the Charter as the guide to impartial United Nations action to which peoples and nations may rally.

Very sincerely yours,

Dag Hammarskjold

31 October 1960

Dear Helen,

Thank you for your letter of 9 October with the attached cover from PARADE.

We are grateful for the support that you and members of the local church have been giving to our efforts here. It has been a very strenuous summer and autumn and while we have consistently sought to promote with all possible energy positive and constructive work in the Congo, as well as elsewhere, the world crisis, because of the Russian stand, has deepened considerably. Thus the task of dealing with crisis after crisis and at the same time promoting by all possible methods the good work of the United Nations has placed a rather heavy burden upon us.

With warm regards.

Very sincerely yours,

Andrew W. Cordier,  
Executive Assistant to  
the Secretary-General
