Dear Miss Hymer,

The Secretary-General has asked me to express his gratitude for your letter of 14 October with the enclosed resolution which was passed unanimously by your Executive Committee.

The firm determination of the Secretary-General to follow the guideposts of the Charter in promoting peace and human welfare would not meet with success without strong popular support and understanding. He is therefore all the more pleased to receive communications from organizations of the type you represent in the knowledge that behind such action is a discriminating understanding of the issues confronting the United Nations and the world.

With best wishes, I am

Very sincerely yours,

Dear Mr. Hogg,

I was grateful for your letter of 6 October in which you expressed your support of my efforts as Secretary-General. You may recall that on 26 July I issued a statement to the entire staff expressing my appreciation for the work that is being done -- in addition to regular tasks -- in support of the United Nations operation in the Congo.

All members of the staff have just reason to be proud of the extensive United Nations operation carried on solely in the interests of the Congolese people and in conformity with the Charter and Security Council and General Assembly resolutions.

Yours sincerely,

Dag Hammarskjold
