Dear Elmore,

The Secretary-General has asked me to thank you for your letter of 21 September which reflects the support of the Friends World Committee and the American Friends Service Committee.

We have continued to give full attention to the positive and constructive program in the Congo, while at the same time dealing with the elements of crisis there, -- as well as the wider world crisis which hangs heavily over the United Nations.

In replying to your letter to Mr. Hammarskjold, I also express gratitude for your letter to me of the same date.

With warm regards.

Very sincerely yours,
