Sec. Gen.'s trip to India 1956

March 21

Sec. Gen. — to J. N. Corry (U.N. Technical Assistance Board, India)

GIS/hd

21 March 1956

Since returning to Headquarters, this is the first opportunity I have had to thank you for your assistance during my recent visit to your region. I know that this involved you and your staff in a number of extra-curricula duties and I did want you to know how grateful I am for all that was done.

I was very glad to have had the opportunity to meet representatives of Specialised Agencies associated with your office, and that this was made possible at such a pleasant social function is also warmly appreciated by me.

I did return to New York with a fuller understanding of problems and possibilities in the field and an even wider appreciation of this joint effort. May I repeat my thanks to you and to members of your staff who assisted with such good arrangements.

Yours sincerely,

Dag Hammarskjold
