Dear Sir,

## Burma Pharmaceutical Industry

I was very interested to hear from our General Manager, Mr. R. W. Oxtoby, that you had an opportunity on the 8th February last of seeing the Pharmaceutical Industry which we are creating for the Government of the Union of Burma.

No doubt Mr. Oxtoby gave you an adequate picture of the background of this project, but should you require any further information for yourself or any of your departments, I should be delighted to respond.

Yours faithfully,  
For EVANS MEDICAL SUPPLIES LTD.

(Ian Fergusson)  
Chairman and Managing Director.
