Dear Mr. Wilairat,

I have written to your Chief of Protocol, M. L. Pédhip Malakul, expressing my appreciation for the excellent arrangements made during my recent visit to Bangkok but I would like to add this personal note of thanks to you for your attention and courtesy.

Our various excursions together, particularly the visit to the Golden Buddha will always be remembered and with your good company and guidance.

With every good wish,

Yours sincerely,

Dag Hammarskjold
