— to Sec. Gen.

Presidency of the Council of Ministers,

Bangkok.

PERSONAL

3rd May, B.E. 2499 (1956)

Your Excellency,

Many thanks for your silver gift, which was kindly despatched to me by Mr. Thanat Khoman.

I don't know what to call this silver gift. It is beautifully engraved and simple in style of modern art. To look at, one feels serene and peaceful at heart. Maybe it is due to the emblem of the United Nations in the centre that makes us enthralled at such grandeur, therefore, it is symbolic of friendship and peace.

I shall keep your gift at the Government House, so that all may see and join me in appreciation.

With best wishes to you, as always.

Yours sincerely,

Field-Marshal

(P. Pibulsonggram)

His Excellency
Monsieur Dag Hammarskjold,
Secretariat of the United Nations,
New York.
