Sec. Gen. - to S.G. Holland (Prime Minister of
New Zealand)

On my return to Washington, I wish to express to you and
to your Government my sincere thanks for the very warm and
friendly reception which was given to my colleagues and myself during our stay in your
country. I feel very much indebted to you for all the courtesies
extended and for the personal attention you gave while we were
in your country. It was so rewarding and pleasant.

I need hardly add how much I appreciated the interesting
talks I had with you which contributed so much to a deeper
understanding of the problems facing your country.

Very sincerely,

Dag Hauniarshjeld
