Dear Mr. Hofman,

I should like to convey to you my warm thanks for your help and assistance during my stay in Belgrade. I also wish to express my appreciation of the arrangements you made in connexion with the Press Conference.

It was a great pleasure for me to have had this opportunity of seeing your office and meeting the members of your staff. The efficient way in which your office was organized impressed me, and I would like to extend my best wishes for success in this work which is so important for the United Nations.

Yours sincerely,

Dag Hammarskjold
