1 letter from D.H. — to Howard Godwin (Pianist, New York)

21 September 1956

My dear Mr. Godwin,

Please accept our gratitude for your notable assistance to us in providing the excellent accompaniment for Miss Lillie on the occasion of our special performance in the General Assembly Hall Monday last. All concerned enjoyed your music tremendously, and we want you to know how very much your efforts are appreciated.

With every good wish.

Sincerely,

Dag Hammarskjold
Secretary-General
