Dear Mr. Gilpin,

I am deeply grateful to you for your letter of 7 May in which you express the appreciation of the Staff Council, on behalf of the whole staff, for the work of my mission in the Middle East.

It is my hope that each member of the staff will feel that they have shared in whatever success has been achieved in our current efforts.

Very sincerely yours,

Dear Mr. Hammarskjold,

The Chairman of the Salary Review Committee has indicated to me that the Committee would be interested in receiving the views of the staff on the suggestions which you have submitted to them.

..... I accordingly enclose herewith a statement by the Staff Council, which I should be grateful if you would transmit to the Committee. We would very much welcome an opportunity to have a talk with you, possibly before you pass the statement on to the Committee.

May I draw your attention to the fact that, in our statement, we have ventured very briefly to summarize your suggestions. This is because we are very conscious of the fact that the staff in general are anxious to be informed on them, and, as we recently mentioned to Mr. Turner, we have in mind issuing the whole statement as a Staff Committee Bulletin. Before doing this, however, we would wish to be sure that these brief summaries do not in any way misrepresent your suggestions.

I am sending a copy of this letter and attachment to Mr. Robertson and Mr. Turner.

Yours sincerely,

ac. Gilpin
