- to J. A. C. Robertson (Director of Personnel)

SC/56/114

14 June 1956

Dear Mr. Robertson,

We very much appreciated the opportunity which you gave us this morning of discussing the report of the Staff Council on the Secretary-General's suggestions to the Salary Review Committee. We are also grateful for the suggestions you made with a view to clarifying certain points in the report. We have taken these into account in the attached amended copy of the report, and I shall appreciate it if you will transmit the report in this form to the Committee.

We originally had in mind omitting our brief summaries of the Secretary-General's suggestions from the report as transmitted to the Committee. We have, however, reconsidered this, and feel that it may be helpful to include these without adding unduly to the length of the report.

Yours sincerely,

Antony C. Gilpin  
Chairman, Staff Committee

Mr. J. A. C. Robertson  
Director of Personnel
