AT
NORRKÖPING.

NORRKÖPING
NORRKÖPINGSS TIDNINGARS AKTIEBOLAG
1882.

This is a Telegraph-Code, to be used in the trade of Oats, consisting exclusively of cipher-figures*), of which five; that is to say, only one word; is sufficient to express an offer or an acceptance by wire.

The figures, exhibited in the following table, viz,

1:ste figure	2:nd figure	3:d figure	4:th figure	5:th figure
1	1	1	1	1
2	2	2	2	2
3	3	3	3	3
4	4	4	4	4
5	5	5	5	5
6	6	6	6	6
7	7	7	7	7
8	8	8	8	8
9	9	9	9	9
0	0	0	0	0

are to be specified with regard to their signification in the following five Schème-tables. With regard to the 3:d figure-table is to be observed that if »Steamer» or »Sailer» is to be named in the first figure, this words will be unnecessary to the 3:d figure.

The 2:nd table has two colums, one for sailer and one for steamer, to be alternately used according to the signification of the 1:st or 3:d figures. The fourth figure-table refer always to the price nearest the quotation of the date.

*) except some words for confirming prices, and complete the first figure.

A French Special Confirmation-Code

for the price, will be as follow.
