RE: [illegible]

[The following text is extremely faint and largely illegible due to the quality of the scan. It appears to be a memorandum or report containing several paragraphs of text, possibly including names, dates, and references. The text is organized into a structured format, likely a memorandum, with a 'TO' line, a 'FROM' line, and a 'SUBJECT' line. The body of the text consists of several paragraphs, some of which are indented. The text is too faint to transcribe accurately.]
