S. H. J.

Till benäget påseende öfversändes härmed min nyaste illustrerade katalog och priskurant å stolar, och som af efterföljande synes, erhållas dessa fabri- kater efter en billig notering, oaktadt den stora pris- stegring å materialier, som egt rum.

Alla arbeten äro tillverkade för hand och af godt, torrt träd, hvarföre jag med fullt skäl kan rekommendera mina tillverkningar till den ärade all- mänhetens fulla förtroende.

Möblerna äro som vanligt hvita och oklädda, dock ombesörjes polering och boning af stolar till billigaste pris, hvilket synes på annat ställe i denna priskurant.

Reqvirerade stolar instufvas 3—4 stycken i hvarje colly och upptagas af järnvägen som icke skrymmande gods då de blifvit på dyligt sätt packade.

Från och med utgifvandet af denna priskurant annulleras alla tidigare priskuranter.

Östervåla i oktober 1899.

J. Lindholm.
