Correspondence in English, French, German, Italian and Spanish!

Dear Sir!

We request your special attention
to our chief speciality,

Superior Jumper Steel

for all kinds of mining purposes and
rockboring, and to the fact that we
are in a position to offer you a high
quality and at the same time a low
price which up to date has not been
reached by any other Maker in the
world. Soliciting the favor of your
orders we are:

yours obediently

IGGESUND STEELWORKS.
